

GOVERNMENT ENGINEERING COLLEGE – DAHOD

GIC & SSIP CELL

ONE DAY WORKSHOP ON “3-D PRINTING”

It is hereby informed to all the students that one day workshop on **3-D Printing** is going to be held on 20/07/2019 at GEC-Dahod under the banner of GIC and SSIP cell. It will cover technological as well as entrepreneurial aspects including start-up & innovation opportunities in the field of 3-D printing technology. The workshop will include hands-on training sessions along with theory sessions. Any student from any school or any college in and around Dahod can attend the workshop. The workshop will be held for first **50 participants** only and admission will be given on **first come first serve basis (on the basis of online registration)**. If there will be more number of registrations, the same workshop will be repeated for remaining registered participants.

There will be **refundable** registration fees of Rs 100/- per participant. It will be refunded to those participants who will have 100% attendance during all the sessions of the workshop. Registered participants will be served light refreshment with tea in tea-breaks and limited lunch during lunch-break. All the participants will be given certificate after successful completion of the workshop.

- Important dates are:
 - Last date of Registration: 15th July, 2019
 - Date of intimation to the participants: 16th July, 2019
 - Last date of depositing the registration fees: 18th July, 2019, till 5 pm
 - Online Registration link: <https://forms.gle/VfRypBrbMb5QbAd87>

For further details contact **Dr. M. K. Chudasama** at Workshop building of GEC - Dahod during recess time or send an email on mkgcecs@gmail.com.
