

GOVERNMENT ENGINEERING COLLEGE – DAHOD

GIC & SSIP CELL

'SPARK 2019'

THINK INNOVATIVE THINK DIFFERENT

It is hereby informed to all the students that One day Idea Competition 'SPARK 2019' is going to be held on 26/07/2019 at GEC Dahod under the banner of GIC and SSIP cell. It will create a platform to share new ideas created by youth for their communities and presents a competitive model to boost creative thinking and uncover innovative solutions. Any student from any school or any college in and around Dahod can take part in the Competition. Entries from the students will be scrutinized based on their area of innovation and will be judge by respective area experts. Awards will be given to the best ideas in the respective fields of innovations.

All the participants will be given certificate after successful presentation of their Idea.

Innovative Ideas having the potential to carry forward the work will be identified and will be considered for SSIP grant up to **50,000 INR** for POC development (It can be extended upto **2,00,000 INR** depending upon the progress). The decision to provide the SSIP grant to the projects will be taken by respective area experts and SSIP cell, GEC Dahod.
