NINE HUNDRED MINDS
ONE VISION

ABOUT IITRAM

Institute of Infrastructure, Technology Research And Management (IITRAM) established by the Government of Gujarat as an Autonomous University, is instrumental in bringing about a profound change in Engineering Education by organizing advanced studies and promoting research in Infrastructure and its Management.

India is poised for giant strides in Infrastructure development. IITRAM is ready to incubate young minds towards achieving this goal.

ABOUT EUNOIA 2k19

EUNOIA 2k19 is a single day techno- cultural fest on 12th October, 2019. It involves the expression of innovative ideas through various technical competitions, exhibitions and panel discussions. This event will also include a refreshingly fun filled cultural evening, which has in store a plethora of highly enthralling programs.

Welcome to EUNOIA 2k19,

NINE HUNDRED MINDS, ONE VISION...

INDUSTRY 4.0

Also known as the 4th Industrial Revolution; it's an workshop which would be held by a very renowned personality. It includes the main part as additive manufacturing informative session which may include Automation, 3D Printer, etc. It's an golden opportunity for the mech. students to learn something new, innovative, automotive.

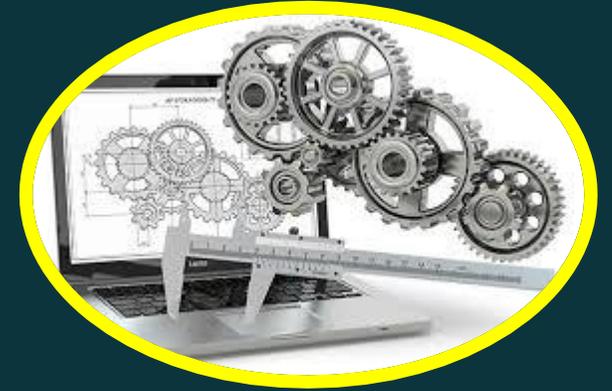

SPIFF

Sustaining Present Infrastructure For Future is a theme of a competition in which the problems/topics would be declared and a model is to be made as a solution by the competitors. The problems/topics are –

1. Green Infrastructure to reduce floods.

2. Management of Traffic Congestion in Ahmedabad (Khokhra Circle).

3. Reducing Waste/Dump generation (at Pirrana).

4. Green Building

CADMAX

Have you ever wanted to create virtual models of real objects? CADMAX is just the thing you're looking for. The NX 9.0 software at the
Siemen's Centre of Excellence Laboratory provides you a platform to implement your own 3D models, inspired from real life objects.

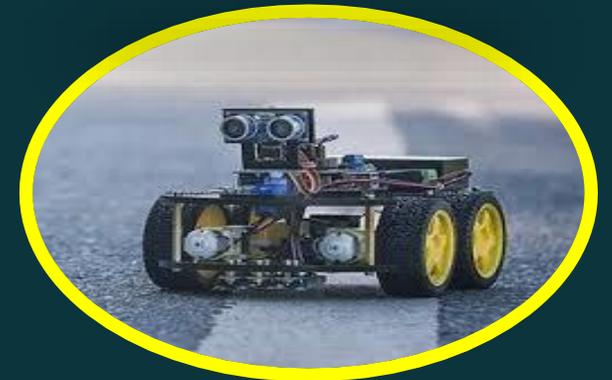

STAAD PRO

Also known as Structural Analysis and Designing Program. There will be a lecture in which the attenders would be given a chance to explore their dream civil engineering designing software.

LINE FOLLOWER

A Robot will be provided to the team with 5 IR sensors, teams have to code the robot in such a way that it starts from a point and complete the given maze by reaching the end point, the robot that does the task in least time will be the winner.

CASH FROM TRASH

This will be a sort of 'Best out of Waste' competition in which students have to make a unique and/or productive design/structure from metal or any other kind of trash.

Never throw your trash before you have cashed it.

INNOVATIA

The students and faculty of our very own institute can present and exhibit the devices they are developing/developed, and research they are conducting. This will also include a startup exhibition by the SSIP HUB. This shall provide an opportunity for interested students to tag on to the inventors, and expand their knowledge in their favorite subjects.

AMBIENT PORTRAITURE

This would be an art exhibition in which the hidden talents of our college have to come out and showcase their innumerable talents in drawing and sketching.

It is only by drawing often, drawing everything, drawing incessantly, that one fine day you discover, to your surprise, that you have rendered something in its true character.

MALHAR 2.O

A musical evening which will be having a blend of Indian Classical music with the Western music, this music event will not only strike a chord with the audience, but will also rejuvenate them with the healing power of music, through live performances by our very own college students.
Music is a piece of art that goes into your ears, and straight to your heart.

WIMS (WORLD IS MY STAGE)

It has been a tradition for us to present a drama in every cultural event in our college. In accordance with the custom, we wish to bring out different stories to life on stage. Just as every event in our life teaches us some lessons, we wish to display a meaningful stage-play to the audience. After all,
All the world's a stage and all the men and women merely players.

POETRY AND SPEECHES

This event shall provide students an opportunity to develop their oratory skills, and convey their own ideas to the audience effectively, through poetry and speeches.
Poetry is the best manure I got in my life to remove my arid land of loneliness
After removal,
Speeches were the best initiation of my plant of happiness...

IITRAM QUIZ MASTER

This will be a General knowledge quiz competition with topic varying from History, Mythology, Bollywood, Sports, Current Affairs and many more. To be played In teams.
A Quiz: If I am my brother's keeper, who am I?
Answer: Me…

COUNTER STRIKE

It will be an online platform game, meant for the true gamers of IITRAM. C'mon let's wake up guys and engage ourselves into the best gaming experience. Let's start our game and have a VICTORY in counter strike.
If you think, CS means computer science and not counter strike than you are not wrong, you are boring…

LIVE SKETCHING

Let's start compacting our nature into the lime light of our white piece of paper. The hidden artists of IITRAM will have to come out of their comfort zones and make live sketches in the specified duration of time.
Sketching is all about generating ideas, solving problems, and communicating ideas more effectively with others…

TECHNICAL TREASURE HUNT

Technical Treasure Hunt will be a mind challenging game, in which teams need to decode the clues through a program given to them and then they have to find out the hidden object.

Technical skills are treasure, and he who possess it does all he wishes to in this melancholic world...

THE JUSTICE MAKERS

Be prepared with your debating skills for the ever challenging justice making competition. Stand out with confidence in front of the judge and the jury, and join the battle of wits and words.

Assume nothing, question everything, open your eyes, and challenge the opposition.

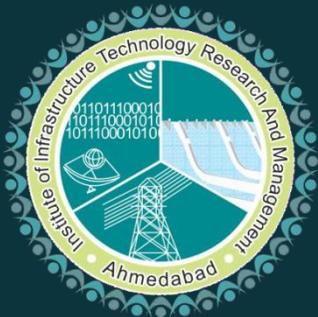

ADVERTISEMENT DUMB CHARADES

Advertisement Dumb Charades is an advertisement guessing game, this game will show how talented the students of IITRAM are.

Good Advertising not only does not just circulate information, It penetrates the public mind with desires and beliefs.
