शोध

Shodh is a State Level Seminar on Innovation and Entrepreneurship focused on Innovative ways to do business in this challenging world. Entrepreneurship has now become very much important as there are very few jobs available in the market. In this niche market one has to survive in the real challenging world for getting jobs. Shodh will bridge the gap between Academia and Industry. Followed by experts talk in this seminar Shodh also provides opportunities to Students, Entrepreneurs, Faculties, Research Scholars to present their Research Papers/Articles. Shodh also has a concept of Innovate Fest where the Students/Entrepreneurs/Faculties can demonstrate their start-up or idea which they want to convert into Startup. One day State Level Seminar will give people opportunity a way to think forward.

About Modasa

Modasa became headquarters of new Aravalli district, carved out from tribal-dominated areas of Sabarkantha. The new district was declared on 26 January 2013 and formed on 15 August 2013. It is an economic centre for agricultural exports, at both the provincial and national levels. As a centre for the surrounding villages, Modasa acts as a transportation hub for both residents and tourists, and has two large hospitals.
