From the Seminar on Invention Property Rights (IPR) we gained a very well amount of knowledge to stand on our own legs. We can be also capable of inventing as well as utilize an innovation to earn money in a beneficial way.

As a student of IITM, I didn't had that can publish my own product which is innovated. So I can make a patent on my own product.

From the. Ruptoed Padma Bach Sir, we gained a more confidence to do innovations.

So, We are thank-ful to our guide.
