

**SSIP CELL C U SHAH POLYTECHNIC SURENDRANAGAR**  
**ONE DAY WORKSHOP / SEMINAR REPORT**

A seminar / one-day workshop organized by the joint venture of C U Shah Polytechnic and Rotaract Club Wadhwan City was held at Rotary Club Hall, Nr, Urja Circle, Surendranagar on 4/3/2020 for the benefit of a total of 120 students studying in 4<sup>th</sup> semester of all departments of the institute. The theme of the seminar was ENTERPRENEURESHIP AND FUTURE CHALLENGES especially for those students studying in the 4<sup>th</sup> semester who are supposed to select the Project work in the next semester. The program was organized by SSIP CELL C U Shah Polytechnic Surendranagar to inculcate the idea of innovation among the students to initiate startups from the upcoming students to get the benefit from government. One of the purposes was selecting innovative ideas and useful projects to cater the community.

The various eminent speakers who attended the seminar have done a great job of making the student think differently from the ongoing daily work. After the initial Deep Pragatya and Saraswati Vandana, the Principal who was present on behalf of the institute, Shri A D Shah Sir spoke briefly of his enthusiasm.

Shri Manish Bhai Dave from Surendranagar nicely presented today's new ventures and success. Subsequently, Manishbhai Shah, a former student of the institute and an entrepreneur of the industry, also shed light on how the project should be selected for the students of each department. Mr. Paras Bhai Shah, Specialist from Ahmedabad and a young Industry entrepreneur and Associate of IT Company, gave a nice introduction to the challenges of today and the future.

After the lunch break, Mrs Vaishaliben and Mayurbhai Waghla, honoring the invitation of the institute's SSEP cell from the District Employment Office, provided a wonderful guidance on how to identify the key to self-assessment. Shri Mayurbhai Vaghela also emphasized on registering in various government recruitment schemes and employment offices.

The first and second prizes were won by mechanical students and third prize was won by automobile student in a quiz organized by Rotary Club. Then each student was given a certificate for participation and honored the first two students of each discipline. Invitees and speakers were also honored by giving a Memento and Letter of Appreciation from the SSIP Cell.

At the end of the program, SSIP Co-ordinator Mr. G R Khunt thanked all the Subordinate faculty and Rotary Club President, staff as well as the students present. He also thanked all the dignitaries who contributed to making the program a successful.
