About Shri Ramkrishna Seva Mandal (SRKSM)

Shri Ramkrishna Seva Mandal is a registered society and a public trust established in the year 1954-55, managing more than 27 academic institutions. The trust believes in providing scientific and value based education by maintaining pace with the ever increasing needs of modern educational environment.

About COVID HACKATHON'2020

With the India's solutions to tackle COVID-19 crisis being globally appreciated, we decided to organise COVID HACKATHON'2020 as one more initiative to engage the youthful minds of nations to come together and to provide them with the platform to battle this global crisis and its aftermath. It will be an opportunity to build bridges for innovative solutions by bringing together perspectives of team members and getting the guidance from the expert of that field in form of mentoring support.

About Anand Pharmacy College (APC)

.....dedicated towards education

Anand Pharmacy College is one of the leading Institute of Gujarat established in 1998 by Shri Ramkrishna Seva Mandal. The institute has been conducting All India Council for Technical Education (AICTE), New Delhi approved courses since 1998. Anand Pharmacy College offers B.Pharm, M.Pharm in Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance, Industrial Pharmacy & Pharmaceutical Technology and Ph.D. courses.

The institute is reaccredited by NAAC-UGC (Grade A with CGPA 3.06) and NBA (UG Course). The institute regularly invites learned and eminent entrepreneurs, academicians, industrialists and dignitaries to deliver lectures and create an environment of enthusiasm and zeal among students and staff members for educational excellence.

Registration details

This is a team contest, so a separate registration is needed for the team to participate. Go through the following steps to register your team:

- Click on the **Team Registration Link** and register your team for the contest.
- Following registration follow the hackathon time line to submit your innovative solution.
- **Last date for registration and idea submission is 18/05/2020.**
- Following registration, the team will receive **Team Id** which needs to be mentioned for future communication.

Eligibility Criteria: Anyone with a knack for COVID-19 care

Rules and Regulations

- **Formation of team:** This is a team participation hackathon. You can have at most 6 members in your team. There is no restriction on who the members can be. A single person can be part of at most 1 team.
- **Atleast 50% of participants needs to be students.**
- Participants are expected to come up with new and innovative ideas.
- There is no restriction to use of any technology stack, libraries or multidisciplinary approach to tackle the problem. **Preferable language is Hindi/ English.**
- The hacks/solutions developed as part of the hackathon will be owned by the individuals and teams who create them.
- **The evaluation will be 40% based on likes on video uploaded on official APC youtube channel and 60% based on evaluation by panel.**
- The hackathon organizers and the appointed jury members will have the right at their sole discretion to determine whether an entrant is eligible for the contest.
- To submit the idea/hacks/ proposal: [Click here](#) (Refer guidelines)

Guidance for a good video

- In order to evaluate all projects, only the first 3 minutes of the video will be evaluated
- Introduce yourself briefly (name of the project and the team)
- What is the problem you are trying to solve? (1-2 sentences)
- Describe your project:
 - How did you address this problem? (provide enough technical detail to understand technical feasibility but try to keep it brief)
 - Did you conduct any survey to justify your solution?
 - Who (or what organizations) could potentially benefit from your solution?

[Click here to download detailed guidelines on idea submission](#)

Last date for idea submission is May 18' 2020.

5:00 pm IST
