

**Government Engineering College, Modasa**  
Department of Mechanical and Automobile Engineering

**Brief Report on SSIP Awareness Program**

The Department of Mechanical Engineering has Organized Student Startup and Innovation Policy Awareness Program on **17<sup>th</sup> July, 2020**. The program was coordinated by Prof. P. M. Mistri under the Guidance of Dr. U. V. Shah, H.O.D., Mechanical and Automobile Engineering Department, Dr. H. D. Mehta, Associate Professor and Institute SSIP Cell Coordinator and Dr. B. J. Shah, Principal, GEC Modasa. **55 students** have actively participated in the program through Microsoft Team. Prof. P. M. Mistri has covered all the aspects related to Start-up and Innovation and he has also mention how to get the financial assistance at GEC Modasa for any Innovative Idea. Please find below the details of the program.
