Parul University (Be Here... Be Vibrant...)

Parul University is in itself an educational hub, which commenced from 2015 and made a long stride in the field of education in Gujarat. It offers over 160 different undergraduate, graduate and doctoral degree programmes with the help of 34 institutions across 21 wide-ranging faculties. While offering a vibrant platform to each member of the university, it educates over 25000 students out of which about 1200 are from 49 other countries. It is a constant endeavour of the University to achieve excellence in delivering different programmes. The University has carved a niche for itself in providing placement to the graduating students. Special Units of the University like the Entrepreneurship Development Cell, the Career Development Cell, and the Training & Placement Cell ensure the overall personality development of the students.

What's New, What's Next: 'WE' THE INNOVATIVE FORCE (Women Start-Up Meet 2020)

Women Start-Up Meet 2020 is an opportunistic gathering which is bringing great as well as budding women entrepreneurs, policymakers, mentors and students under one roof. The main aim is to nurture innovative start-up ideas in their pursuit to become scalable and sustainable business enterprises, by creating awareness among the female students and entrepreneurs about how to convert a spark of the mind into a startup idea, leading it to become a successful entrepreneur.

The meet shall witness panel discussion by women entrepreneurs to create awareness of the current scenario in the sector while providing holistic guidance, and idea screening of the students which will be followed by mentoring sessions depending on the presentations.
