

**AWARENESS PROGRAMME ON SSIP  
ORGANIZED BY  
DHARMSINH DESAI UNIVERSITY INNOVATION COUNCIL  
3RD AUGUST, 2018**

**STUDENT-START UP AND INNOVATION  
POLICY (SSIP)**

Innovation is the key for every economy to grow, and innovation takes place at every layer of the society. Government of India has declared 2010-20 as the decade of innovation to unleash the creative potential of every Indian. The Government of India has also set up the "Atal Innovation Mission" and "Startup India, Stand-up India" mission to spearhead innovation movement across the nation. The youth of the country and the university system play a crucial role at every step to shape the innovation ecosystem. To build startup and innovation culture across universities is the key goal of Startup India action plan.

The Student Startup & Innovation Policy of Government of Gujarat aims to create an integrated, state-wide, university-based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

The Student Startup & Innovation Policy synergizes complementary efforts by different stakeholders while making strong efforts towards cultural change among students, preincubation support and other necessary measures required in creating and nurturing student innovations and help sustaining them.

**DDU INNOVATION COUNCIL**

An university-based innovation ecosystem to support innovations and ideas of young students, faculties and researchers and provide a conducive environment for optimum harnessing of their creative pursuit.

**KEY OBJECTIVES**

Developing student centric Innovation and Preincubation Ecosystem for Students (IPIES)

- Creating environment for creativity to flourish and an end-to-end support system in educational institutions to allow ample support to ideas for better execution
- Build internal capacity of educational institutions and key components of the innovation ecosystem
- Creating and facilitating sectoral and regional innovation efforts in state around educational institutions
- Create a common platform to showcase, support and upscale innovations for motivating stakeholders as well as for an opportunity to create value for money and value for many
- Ensure that the innovation processes link academia, society and SMEs through systematic ways so that students and faculty solve their challenges and create further entrepreneurial opportunities
