

## About Swarnim Startup and Innovation University - Gandhinagar

"We, G P Jain Charitable Trust, Gandhinagar were established in 2007 with the motto of imparting quality education in the field of Ayurveda, Engineering, Architecture, Pharmacy & higher education. Moreover, with same motto & vision, we have established & got the approval from Government of Gujarat (State Government) for Swarnim Startup & Innovation University on 31st March 2017.

To support & promote our Honorable Prime Minister, Shri Narendra Modi's vision & great initiative: Startup India - Standup India, Make in India, Digital India and Skill India, Swarnim Startup & Innovation University is the First University for Startup in India, under the vibrant vision of our Hon. Prime Minister, Shri Narendra Modi."

Swarnim Startup And Innovation  
University

At-Bhoayan Rathod, Near ONGC  
WSS, Kalol - Mehsana Highway,  
Gandhinagar -382420

Website:

<https://www.ssiu.ac.in>

## Overview of the Workshop

With the ever growing population, rising economies and advancements in technology, the consumer oriented growth is causing a rapid product obsolescence, which has provided us with new environmental challenges.

The wastes are disposed uncontrolled Manner, these may cause adverse impact on public health & environment.

There are solid and liquid types of waste majorly come by villages. How this waste can disposed and make something best from that.

## Schedule

Date - 24 <sup>th</sup> August -2018	
Time	Detail of Activity
9.40AM To 10.00 Am	Reporting
10.00AM To 12.00PM	Field visit to villages
