## Student Research Convention-2018

October 26-27, 2018

Supported By

### SHODH-THE RESEARCH CONVENTION

With a view to inculcating research culture among students, Ganpat University has taken a pioneering initiative to organize Student Research Conventions for the aspiring researchers throughout the University. This Convention aims at identifying the young and rising talents who would be promoted through proper encouragement and incentives. Also an attempt shall be made to commercialize their research projects with industrial collaboration. The endeavor may accelerate scientific research and innovation and their application towards community development percolating to the grass root level. The Student Research Convention can act as a platform for the young and emerging breed of researchers in the Ganpat University. Nevertheless, the initiative is an attempt to inculcate and strengthen a culture of research in the entire university.

### OBJECTIVES

*To identify* young talents with research aptitude and interest to take up research as career option.  
*To nurture* the talent through specialized training and education in some of the nationally and internationally reputed premier institutions of higher learning in the country.  
*To augment* financial and physical resources through collaboration with different organizations for supporting education and training of the young researchers.  
*To provide* proper incentives to enhance the skill of potential students.
