

SMT. S.R. PATEL ENGINEERING COLLEGE

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPCT) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of students to build their career. The trust started an engineering college Smt. S. R. Patel Engineering College in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana.

The lush green campus is spread over in a 12 acre area. It blends beautifully with the green landscaping, varieties of flowers and trees and a vibrant pursuit of knowledge.

The spacious buildings, well equipped laboratories and a pool of qualified and experienced staff members show the dedication of the trust towards society.

The trust is involved in large numbers of social activities in North Gujarat region.

OBJECTIVES OF THE PROGRAM

The main objective of this Workshop is to provide **Advanced JAVA** fundamentals and to develop confidence in the students so that they can build web applications with **Database Connectivity**. Also they can learn insights of Advanced JAVA which can help them to understand **Servers, Containers**.

HOW TO APPLY

The applicants are required to online registration so as to reach the coordinator on or before 13th February, 2019.

For Online Registration:-
