

## SMT. S.R. PATEL ENGINEERING COLLEGE

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPCT) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of students to build their career. The trust started an engineering college Smt. S. R. Patel Engineering College in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana.

The lush green campus is spread over in a 12 acre area. It blends beautifully with the green landscaping, varieties of flowers and trees and a vibrant pursuit of knowledge.

The spacious buildings, well equipped laboratories and a pool of qualified and experienced staff members show the dedication of the trust towards society. The trust is involved in large numbers of social activities in North Gujarat region.

## OBJECTIVES OF THE PROGRAM

The main objective of this training program is to develop the product design skill in students. Product design is concerned primarily with the relationship between products, systems and those who use them. The product design programme inculcates user-centric approach and processes. Students can improve the skill of Product design using Solid work Software.

## CONTENT

How to use solid work in product design  
Introductory exercise for 3-d modeling  
Exercise for advanced 3-d modelling  
Exercise for 3-d editing options  
Exercise for assembly modelling  
Exercise for surface modelling

## HOW TO APPLY

The applicants are required to online registration along with the registration fees so as to reach the coordinator on or before 15<sup>th</sup> Feb 2019.

For Online Registration:-
