

L. D. College of Engineering

Computer Engineering Department
A Seminar on
“Student Startup Awareness Program”
Under
Student Startup and Innovation Program

Computer Engineering Department has organized “Student Startup Awareness Program” on 28th September, 2018. Dr. D.A.Parikh, Head of the Department has felicitated expert Mr. Jatin Chaudhry from eChai Venture, Ahmedabad. Mr. Jatin has delivered an inspiring talk on same topic for young innovators. Session was quite interactive. Students startup team Roshan Rawal, Dhruvi Mehta and Sunil Chauhan has demonstrated their project called “Exposit”.

More than 55 students have registered for the seminar. Along with the students majority of faculty members took an advantage.

SSIP Departmental Coordinator team: Prof. H.A.Joshiara, Prof. K.A.Patel and Prof. V.B.Vaghela has successfully coordinated an event.
