About Anand Pharmacy College (APC)

ANAND PHARMACY COLLEGE is one of the leading institute of Gujarat established in 1998 by Shri Ramkrishna Seva Mandal. The institute is conducting All India Council for Technical Education (AICTE), New Delhi approved courses since 1998. Anand Pharmacy College offers B.Pharm, M.Pharm in Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance, Industrial Pharmacy & Pharmaceutical Technology and Ph.D. courses. The institute is re-accredited by NAAC-UGC (Grade A with CGPA 3.06) and accredited by NBA (UG Course). The institute regularly invites learned and eminent entrepreneurs, academicians, industrialists and dignitaries to deliver lectures and create an environment of enthusiasm and zeal among students and staff members for educational excellence.

About Shri Ramkrishna Seva Mandal

Shri Ramkrishna Seva Mandal is a registered society and a public trust established in the year 1954-55, managing more than 27 academic institutions. The trust believes in providing scientific and value based education by maintaining pace with the ever increasing needs of modern educational environment.

About SSIP

The Student Startup & Innovation Policy (SSIP) of Government of Gujarat is a first-of-its-kind, an integrated, state-wide university-based innovation policy in the country launched in January 2017. It shall create a much-needed Innovation and Pre-incubation Ecosystem Support for Students (IPIES) across the state, adding to the start-up ecosystem of Gujarat and creating a strong innovation driven culture in the state's higher education spectrum. SSIP aims to create a network supporting innovations and ideas of young students, by building pre-incubation processes of the state higher education, thereby providing a conducive environment for optimum harnessing of their creative pursuit.

Learning Outcomes

By attending this Workshop participants will learn.....

- Changing paradigm in product lifecycle management by considering ICH Q7 to ICH Q12
- Data integrity and compliance with cGMP.
- Analytical procedure lifecycle management Approach
- Investigating and handling OOX results
