About Anand Institute of Information Science

Anand Institute of Information Science (AIIS), Anand was established in year 2001 by Shri Ramkrishna Seva Mandal. AIIS is affiliated to Gujarat Technological University, Ahmedabad and is approved by A.I.C.T.E. The institute was reaccredited by NAAC in year 2015.

The institute was established with a view to imparting post graduate computer education to young students of surrounding areas and from all over Gujarat. Since inception our institute is privileged by the care and guidance from the management of Shri Ramkrishna Seva Mandal. AIIS is dedicated to prepare highly skilled and competent I.T. professionals, meeting the ever increasing demands, of I.T. industry.

About Anand Pharmacy College

Anand Pharmacy College is one of the leading institute of Gujarat established in 1998 by Shri Ramkrishna Seva Mandal. The institute is conducting All India Council for Technical Education (AICTE), New Delhi approved courses since 1998. Anand Pharmacy College offers B.Pharm, M.Pharm in Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance, Industrial Pharmacy & Pharmaceutical Technology and Ph.D. courses. The institute is re-accredited by NAAC-UGC (Grade A with CGPA 3.06) and NBA (UG Course). The institute regularly invites learned and eminent entrepreneurs, academicians, industrialists and dignitaries to deliver lectures and create an environment of enthusiasm and zeal among students and staff members for educational excellence.

Preamble

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people, AIIS is organizing a one day seminar on Intellectual Property Rights for Information Technology. The seminar is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc.

About SSIP

The Student Start-up & Innovation Policy (SSIP) of Government of Gujarat is a first-of-its-kind, an integrated, state-wide university-based innovation policy in the country launched in January 2017. It shall create a much-needed Innovation and Pre-incubation Ecosystem Support for Students (IPIES) across the state, adding to the start-up ecosystem of Gujarat and creating a strong innovation driven culture in the state's higher education spectrum. SSIP aims to create a network supporting innovations and ideas of young students, by building pre-incubation processes of the state higher education, thereby providing a conducive environment for optimum harnessing of their creative pursuit.

Objective of the Seminar

The one day seminar aims at establishing a basic level of IP awareness amongst faculty members and students, who are directly or indirectly involved in the process of innovation, such that the chances of obtaining well-protected innovation for their organizations are increased.

This seminar would focus on

- Basics of IPR and patents search methodology
- Role of IPR in IT
- Trends and Technology challenges in current patent laws in IT
- Future of IPR in IT
- Use of Patent information for Start-up and Research

Resource Persons

Eminent resource persons from IPR domain will deliver in-depth information in the scientific sessions.

Eligibility

The Seminar is intended for the Diploma, Graduates, Post-graduates, Research scholar and faculty from Technical and allied areas.
