

**Title:** Adani Power Coal Pulverizer in AR/VR

**Date:** 07-06-2019 to 11-06-2019

**Venue:** AIIH, Adani Institute of Infrastructure Engineering, Shantigram Township, Nr. Vaishnodevi Circle SG Highway, Ahmedabad – 382421

The team comprising of Adani Institute of Infrastructure Engineering (AIIE) students, Smart India Hackathon (SIH'2019) winning team JAPNAS and members from the students start-up Exposit conducted a demonstration of their project - Coal Pulveriser/Mill Internal & External VR/AR model.

Developed under the mentorship of Adani International Innovation Hub (AIIH) platform for budding student start-ups, entrepreneurs and innovators which produces precise innovative solutions for the industry, this model can be used by students, employees and technocrats in technical training programs across the industry. Here are the glimpses from the demonstration.
