Summary:

The SSIP committee organized IPR (Patent, Copyright and Trademark) awareness programme for the BEII, BE III and BE IV students of all faculties during 15th July to 18th July 2019. The aim was to guide the participants for taking their projects and creativity in the direction of intellectual rights and properties. The session commenced at 2.30 p.m. by introduction and welcome of eminent speaker Dr. Anil Saraogi from the M/s. Saraogi Patent & Trademark Attorneys. Dr. Saraogi is Registered Patent Agent and has conducted 75+ seminars so far on the subjects of IPR Awareness Program, Basics for Patents, Basics of Trademarks, How to protect your Brands, How to Patent your Innovation. Having a good amount of experience in this area, the speaker had a very practical approach and lots of real life examples so as to impart participants a better understanding of I.P.R and the laws associated with it in detail. He pointed out and cleared the myths related to the word "Patent" when heard by most of the people and helped shaping the mindsets of participants in the direction of I.P.R. He also explained the difference between Patents, Trademarks and Copyrights. The contents covered in the session included in detail the following topics:

- √ **PATENT**
- √ **TRADEMARK**
- √ **COPYRIGHT**
- √ **OTHER**

Finally, the sessions were concluded with vote of thanks suggestions and reviews in the form of feedback forms were collected from the participants.

The SSIP committees acknowledges and thank Sarvajanic Education Society and Sarvajanic College of Engineering & Technology for providing the necessary infrastructure for conducting the workshop. We also thank Prof. (Dr.) Hiren Patel, Principal SCET for his guidance and motivation in organizing the event. Herewith we have attached some glimpses of our awareness sessions.
