

Shantil Shah Engineering College, Bhavnagar

Report on IPR (Intellectual Property Rights) awareness Seminar 5TH semester Electrical Engineering

Date: 25 July 2018

With a view to promote and support initiatives by young innovators and start-ups through education, Government of Gujarat is implementing student start-up and innovation policy (SSIP) for the period of 2017-2021. This initiative intends to enhance Innovation and Pre-incubation Ecosystem Support for Students (IPIES).

To disseminate the information regarding Intellectual Property Rights and sensitize the students about the SSIP and its' institution-level facilities, a seminar was organized for 5th sem. Electrical students. Dr. K.R.Trivedi, Associate Professor of Electronics and Communication, flagged-off session on 18/07/2018, and gave a key note address. Sir encouraged the students to bring out their creativity to unleash their potentials to end-up with a Patent.

Dr. K R. Trivedi shared the vision envisaged by the Government for the entrepreneurship and start-ups, and elaborately discussed various success-stories. The scheme objectives, institute level interventions, and the roadmap to avail benefits were shared at length with the students. Approximately 49 students attended the task and this endeavor will be continued in a second session in coming days as extension to the ideas discussed on 25th july, 2018. The significance of role of universities in Gujarat's start-up ecosystem was emphasized, and need for creating end to end support for innovation through education institute was discussed.
