

# GOVERNMENT ENGINEERING COLLEGE DAHOD SSIP CELL

## REPORT

### ONE DAY IDEATHON

#### ‘SPARK-2019’

One day Ideathon ‘SPARK-2019’ was organized on 26/07/2019 at Government Engineering College Dahod under the banner of SSIP. 26 student participants were there and the event started from 10.30 with registration process. Inauguration of the event was started at 11.00 and Principal Dr. P. K. Brahmhatt has inaugurated the workshop by lighting of the lamp. Importance of Idea generation and nurturing of ideas was discussed by respected Principal sir.

The students teams have presented their ideas in presence of guests and the jury. The ideas presented were related to women hygiene, power distribution switches, electric car accessories, Bio-waste stove, slipper cutting machine, corn de-seeding machine, etc. The ideas have been critically evaluated and best ideas have been given prizes. The deserving ideas have been further evaluated for SSIP grant for development of POC. The photographs of the events are attached here for the reference.
