

As every batch starts their journey at PDPU, it is a ritual to get introduced with all the clubs of PDPU including the incubation centre. PDPU IIC at the induction of Post Graduate Students batch 2019 where we gave a brief about PDPU IIC and its various activities and explained to them about how incubation

centre can help them in developing their ideas. "Paper Tower Challenge" was one of the activity during the induction session, where in they learnt about team work, resource management and time management.
