

## Government Engineering College, Dahod

### Report on A seminar on ‘Basics of Starting up’ (Awareness Programme on Student Startup and Innovation Policy (SSIP) at Government Engineering College, Dahod

**Date: October 15, 2019**

To create awareness regarding Start-up and Innovation activities and SSIP policy of Government of Gujarat, an awareness seminar was arranged for the students at GEC-Dahod on 15<sup>th</sup> October, 2019. Prof. Vihang Dholakiya, OSD at i-hub – Ahmedabad, has delivered and Expert talk on ‘Basics of Starting up’. The seminar was chaired by Principal Dr. P. K. Brahmhatt and he discussed importance of Start-ups and innovations in the beginning of the seminar. 41 students have attended the seminar. The session was interactive and the students have curiously listened the speakers and at the end of the sessions, they posed their queries related to the subject matter. The experts have whole heartedly welcomed such queries and given satisfactory solutions of the student queries.

At the end, Dr. M. K. Chudasama has discussed about ‘Smart Gujarat Hackathon - 2019’ to create awareness of the event and advised the students to grab such opportunities to have invaluable experience of such state level competitions. The seminar was ended by thanking Prof. Vihang Dholakiya, OSD at i-hub Ahmedabad, and all the participants to make the event fruitful.
