Student Start-up and Innovation Center, Anand Pharmacy College, Anand had organized "Students Sensitization & Awareness Program", sponsored by SSIP, Government of Gujarat on 28th November, 2019.

The session was oriented towards acquainting the school students towards the SSIP policy and generating awareness amongst them regarding startup and government policy pertaining to it.

First session was addressed by Mr. Hitesh Raval (Associate Professor, Anand Pharmacy College, and Anand). He addressed the students with the policies pertaining to Student Start-up and Innovation Center, Anand Pharmacy College. He explained the students how to apply for POC and funding assistance at APC, and how the students can get financial assistance for their innovative ideas.

Second session was taken up by Ms. Ruby Christian (Assistant Professor, Anand Pharmacy College, Anand). Students were given visit to the innovation zone of the

college. She demonstrated various innovations done by the pharmacy students at the college and motivated them to be innovator and how SSIP, APC center can help innovators achieve their dream, be it in form of ideas, POC, patenting or startup.

Session was actively attended by 64 participants of the higher secondary school. The queries pertaining to how to generate idea and where to apply for SSIP funding were answered during the session by speakers. Thus, overall the session was very fruitful and informative for the participants.
