

Outreach/Sensitization workshop under SSIP was arranged on 17/01/2020 during 10:00am to 11:00am at V. C. Technical High School, Morbi by General Department Faculties Dr. Sanjay Kumar Singhal and J. K. Jogi. More than 100 Students were present in this workshop. Initially students were briefly informed about SSIP and the way it works, after that few videos regarding Innovations and Startups were shown to the students to give them better understanding of the same. At the end a session of question-answers was held to solve students' queries regarding SSIP.
