5th Feb 2020

SMT. S. R. PATEL ENGINEERING COLLEGE

One Day Workshop Report

One Day Workshop on “CNC Practices”

Objectives:

The main objective of this training program is to understand the NC-CNC technologies history, enhancement, modern's ways etc. Also cover CNC Lathe and Milling machine theory and practical knowledge. This training period students develop different CNC program in Lathe and Milling and as well as doing practical on it.

Expert:

Prof. Harshadkumar Patel

Prof. S. S. Patel

Workshop co-ordinator:

Prof. H. C. Patel & Prof. S. S. Patel
Mechanical Department, SRPEC.
