STUDENT START-UP AND INNOVATION POLICY (SSIP)

An Expert Talk was conducted on 01/05/2020 on “**Basics of Control System and Sensors in Robotics**” organised by Automobile engineering & GIDC Degree Engineering College Navsari. The Session was derived by an expert speaker Prof. Kenal D. Tandel (Assistant Professor Automobile Engg. GDEC) on webex application. Around 28 students & 2 faculty members have attended the session.

The poster has a dark blue background with light blue horizontal streaks. On the left is a 3D rendering of a white and yellow humanoid robot. In the top left corner is the SSIP logo. In the top right corner is the GIDC Degree Engineering College logo. The main title is in large white capital letters. The author's name and affiliation are in yellow capital letters at the bottom right.
