anant_national_university Two student teams from Anant National University were shortlisted in the top 15 for WASH-UNICEF- handwash product design challenge in the recently national competition. Organised by UNICEF in partnership with the India Sanitation Coalition (ISC) at the Federation of Chambers of Commerce for Industries (FICCI), the contest required students to design handwash stations. It aimed at identifying and promoting product innovations and business solutions on designing, setting up and operating handwashing with soap stations.

A big shout out to the students Aliasgar Chunawala, Varshin Jeetendra Kumar (@jeetendrakumar0105), Atharva Achrekar (@_atharva2018_) and Arjun Anilkumar (M.Des IPD), Shrey Shah (Product Design) (@_shreyashah_) and faculty mentor Parth Raval (@raval_2512) on their achievement!
