Nine Bachelor of Engineering Programs - Computer, Artificial Intelligence and Data Science, Electronics and Communication, Instrumentation and Control, Mechanical, Automobile, Civil, Electrical, Robotics and Automation are offered. Mechanical and Civil Engineering departments are NBA accredited till June 2025. Institute has vision to bring out technically competent and socially responsible engineers.

## About SSIP 2.0

SSIP 2.0 is being launched with the vision of sustainable development and inclusive growth, for the realization of Aatmanirbhar Gujarat. SSIP 2.0 is significant in light that, there are so many innovations done by college students. But they do not get any platform to showcase them. The new policy will support such innovations financially and help in taking them from "Mind to Market".
