Expert Session on Etabs Software

Organized by:
Civil Engineering Department

On
3/28/2023

Speakers:
Asad Deshmukh

Faculty Coordinator
Kauswala Tausif F

ABOUT THE EVENT

OBJECTIVE OF THE WEBINAR: To transfer the theoretical knowledge gained within the classroom to the real practical application and to enlighten the students about the Industrial Software used in industries

Brief information about the event

The event is organized for students of 2nd and 3rd year civil engineering to know the basics of structure analysis and design. To aware students about relationship between academics and industries

Target Audience

2nd and 3rd year civil engineering students and faculties

Expected outcome

Students will able to understand the different structural phases, they will come to know about process of preparation of Structural drawings, submission of drawings, structural concepts. They will also understand Etabs software and how to deal with architect and client.

Schedule

3/28/2023

Location

Room no 203, Civil Dept

ABOUT THE SPEAKER

Name of the Speaker	MR. ASAD DESHMUKH
Specialization/Expertise	ME CIVIL ENGINEERING(Phd Pursuing)
Designation	Proprietor
Company / Institute	Deshmukh & Associates
Address (City & Country)	Emperor Building, Fategunj, Vadodara
Email-id	asad.deshmukh57@gmail.com
Phone No.	9881314282

Image of the Speaker:

Brief points discussed during the webinar:

- Introduction
- Structural Planning
- Structural Analysis
- Design of slab, beam and foundation
- Etabs training session

Details of the Participants

Total No of participants registered: 20

Total No of participants present: 19

Details of the Faculty Coordinator

	Faculty Coordinator
Name	Kauswala Tausif F
Department	Civil Engineering Department
Designation	Assistant Professor

Details of the Student Coordinator

	Student Coordinator
Name	Sonam Upadhyay
Department	Civil Engineering Department
