Anand Pharmacy College, Anand SSIP cell organised the workshop on **Patent Drafting and Filing on 25/02/2023** in association with IIC, MoE and G20.

Filing for a patent includes a stringent process in which the inventor would have to provide a detailed description of their idea. In this regard, to enlighten our participants with the intricacies of patenting process, the workshop was organised.

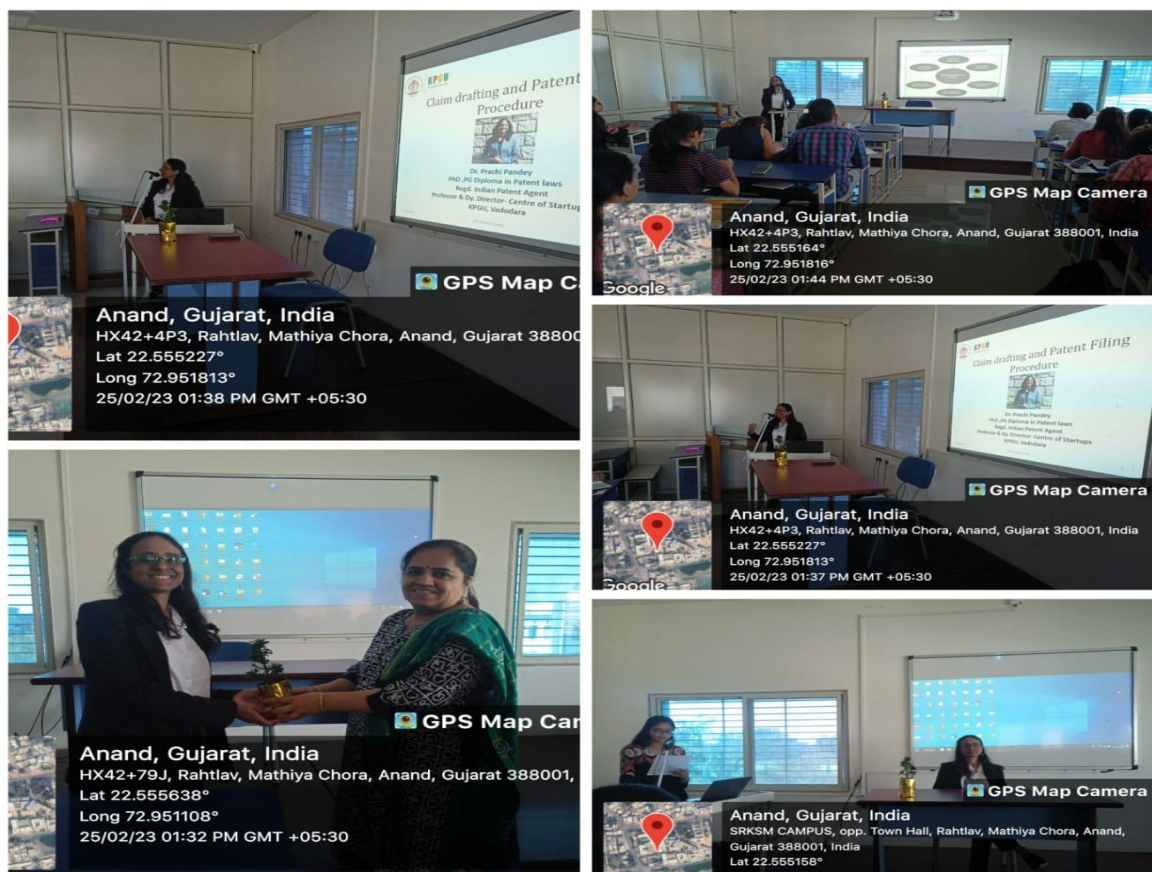

The session was delivered by Dr. Prachi Pandey (Dy. Director Startups & Entrepreneurship, SSIP Coordinator, KPGU, Vadodara)

Key Highlights of the sessions were as follow:

- ✓ Patent filing procedure
- ✓ Claim drafting
- ✓ Language used for Patent
- ✓ Online Patent Registration Process
- ✓ Hands-on training on filing patent

Overall, the workshop was a huge success. The session was attended by **57 participants**

Testimonials

I had a query pertaining to claim drafting & how to interpret the claims as they are very important for M-Pharm PSAR Report. Workshop was really informative and helped me a lot to solve all my doubts. I am thankful to APC for organizing workshop.
