Electrical Seminar Hall, 4012

"Government Engineering College, Palanpur" (GECPL), operates under the aegis of Government of Gujarat (established in the year 2009). It is affiliated to Gujarat Technological University, Ahmedabad and is also approved by All India Council of Technical Education (AICTE), New Delhi. GECPL provides a dynamic and supportive environment in which faculty and staffs continuously grow intellectually and professionally.

Our Vision is to be a leading technical institute facilitating transformation of human resources into socially responsible engineering professionals for sustainable development. Our mission is to achieve academic excellence by developing state-of-the-art laboratories and academic infrastructure. To create an ecosystem that promotes value based technical education, innovation and entrepreneurship for sustainable development. To contribute to industry and society by providing technical and consultancy services. To enhance technical competencies of human resources by providing need base trainings and quality improvement programs.

In above context, Student Start-up & Innovation Policy committee of Government Engineering College, Palanpur has organized a seminar on **"Patent Search"** on date **11th May 2023, Thursday** for the students of Government Engineering College, Palanpur. The aim of organizing this seminar was too aware the student about the procedure of patent drafting and filing.

In the above context, Seminar Expert, Mr. B. M. Patel, Lecturer, Electrical Engineering Department, Government Polytechnic, Palanpur have brief the student about the importance of patent, how to search patent and different

platform for searching the patent with desired keywords. The session were ended with few question and answer session.

Around 118 students of various department and 13 faculty member have attended the program. The session was found very interesting, informative and thought
