Outcome of the Session:

- Participants gained a better understanding of startup investments, including the various types of investments and the associated risks and rewards.
- Participants gained insights into the importance of alignment, effective communication, and shared goals for building a successful partnership.
- The networking opportunity provided at the end of the session allowed participants to connect with like-minded individuals and potential collaborators.

Brief:

This session was on 18th March from 3 pm onwards. Round the Table Meeting on Startup Investment Sensitization was a session designed to raise awareness and provide essential knowledge about startup investments. The meeting focused on understanding startup investments, covering topics such as equity financing, angel investing, venture capital, and crowdfunding. The concept of risk and return in startup investments was explained, along with strategies for portfolio diversification to manage risk. Participants gained insights into the potential returns that successful startup investments can yield. Overall, the session aimed to sensitize participants about startup investments, empower them to make informed decisions, and provide resources for further learning and exploration in the startup investment space.
