2. To motivate students towards having the right mindset towards becoming entrepreneurs.

Outcomes:

1. He inspired the students to be thoughtful and create original contents
2. He motivated them to come up with creative ideas.

Activity Details:

My Story-Motivational Session By Film Maker Turn Entrepreneur Mr. Vivek Agnihotri on 18th April 2023 at Parul Institute of Design , Parul University. Students of Design and Fine Arts had attended the Session. Mr. Agnihotri had shared about his own journey, his various experiences

He then spoke on the potential in Bollywood, how students who wanted to work in the film industry can begin their path, and what their long-term goals should be. As he discusses, he also provides tales and varied examples. He spoke extensively about a variety of topics, including where to begin and how to move forward on this path. He gave step-by-step, in-depth instructions for entering the creative world of movies. He also provided examples of many films, their worldwide success and failure, for the benefit of the pupils. Here are a few highlights from the meeting. There was also one Q&A session, and the students appeared to be quite engaged. During that class, students learned.

Benefits in terms of learning/Knowledge obtained:

- Provided the chance to look at a societal issue from a different angle.
- Enabled investigating a problem to find its underlying cause and to showcase it in a different way through cinema
- You should constantly increase your knowledge and creativity so you can present your work in a unique way.
