<b>PETRON</b>	<b>SSIP MENTOR</b>	<b>SSIP COORDINATOR</b>
Dr. Shweta P Dave Principal	Prof. T.B.Sheth	Prof. Ketan Acharya

A seminar was organized at Govt. Engineering College Gandhinagar to inspire students for entrepreneurship from design engineering perspective and in that importance of design engineering was discussed

**Topic: “Entrepreneurship from Design Engg. Perspective”**

**Date :23/8/2023**

**Time : 11:30 AM to 1:00 PM**

**Total participants: 110**

SSIP Mentor and SSIP Coordinator at GEC Gandhinagar initiated this activity and an expert Mr. Karamjitsing Bihola a founder of Innodesk was invited for this event.

In the beginning of the program, Prof.K.K.Acharya- SSIP Coordinator talked about “World Entrepreneurship Day” and inspired students about Entrepreneurship.

- Students of 2<sup>nd</sup> year of Engineering participated in this seminar
- All information about Start ups, Entrepreneurship from Design Engineering concept was discussed with students.

Students were given information about innovative ideas and few stories of successful entrepreneurs were discussed.

Invited speakers Mr. Karamjit Bihola – Founder of Innodesk shared his experience and encouraged students for entrepreneurship and Start ups

- **Speaker Mr.Karamjit Bihola from “Innodesk” actively involved students in entrepreneurship related examples and Design Engineering based projects and encouraged students for entrepreneurship.**
- Students actively participated in the session
- Such questions and their responses were shown to all participants in the screen and it made the whole session very effective.
- Students participated in interaction and activities very actively and with enthusiasm.
- It showed their interest in being an entrepreneur.
- Team of SSIP Cell at GEC Gandhinagar also encouraged them for getting financial support for POC development and innovative idea generation.
- **Students were inspired and presented their idea of E Cell at GEC Gandhinagar which will be active in various activities related to Entrepreneurship.**

Overall it was inspiring and experience sharing type of session which encouraged students for Start ups and Entrepreneurship.

- At the end of the session E Cell team of students invited participants for their next activities and then students had snacks and tea/coffee.
- Over all it was an excellent inspiring session for participants.

***Finally SSIP /IIC Coordinator, Co Coordinator and Mentor as well as other faculties from IIC/SSIP CELL thanked speakers and participants and wished them best wishes for their bright future and expected many innovative ideas for support under SSIP/IIC.***
