**Engineer's Day**

In order to appreciate the Engineering spirit, Engineer's day in India is celebrated every year on 15<sup>th</sup> September to honor the birth anniversary of India's first Eminent Engineer, Sir Mokshagundam Visvesvaraya. The year 2023 will mark the 56<sup>th</sup> anniversary of Engineers Day in India and 163<sup>rd</sup> birth anniversary of Sir Mokshagundam Visvesvaraya

## Visvesvaraya Jayanti

Sir Mokshagundam Visvesvaraya is popularly known as the "Father of Indian Engineering". Mokshagundam Visvesvaraya has made a significant contribution to Education and Engineering field. He was the Chief Engineer responsible for the construction of the Krishna Raja Sagara Dam in Mysore & many more.

Due to outstanding contribution to the society, Government of India conferred 'Bharat Ratna' on this legend in the year 1955. He was also awarded the British Knighthood by King George V, and hence has the honorific "sir" .
