INDUSTRY ACADEMIA CONCLAVE

About the Conclave:

The Industry-Academia Conclave has evolved into a dynamic forum that seeks to revitalize the conventional academic system and provide a platform for students to acquire essential skills in line with industry demands. Bridging the gap between Industries and Academia, the conclave facilitates meaningful interactions, knowledge exchange, and technology transfer. The mission of the conclave is to collectively address the challenges faced by industries and devise practical solutions.

In this endeavor, one of the aims is to identify mentors who will play a crucial role in nurturing and promoting entrepreneurship. Through **IAC 2023**, we aspire to equip students with versatile and practical training, tailored to meet the current needs and trends of the market.

Join Us in Building Partnerships:

IAC 2023 team sincerely invites you to join the mission to establish a sustainable partnership between Industry and Academia. Your support and collaboration will be instrumental in driving this vision forward, creating a thriving ecosystem where academia and industry complement each other, and students are empowered with the skills they need to excel in their careers.
