Brief Description of the Event:

Antrapreneur, our esteemed business incubator, recently organized an impactful Startup Demo Day that showcased an impressive array of pitches. The event drew an engaged audience primarily from the MBA and B.Sc. Pharmacy departments, reflecting the diverse interests of our student community. The quality of pitches demonstrated a deep understanding of market needs and innovative solutions, sparking enthusiasm among attendees.

This event served as a catalyst for fostering an entrepreneurial spirit within our institution, with positive feedback reinforcing the importance of such initiatives. Going forward, we should consider hosting similar events to sustain this momentum, encouraging cross-disciplinary collaboration among our talented students. Antrapreneur's commitment to promoting entrepreneurship continues to play a vital role in nurturing innovation and creating valuable connections within our academic community.
