Title of Event: RU Talks on Women Entrepreneurs

No. of Students Participated: 121

No. of faculties Participated: 25

No. of external Participated (if any): 01

Objective:

- ❖ The Talk's main goal was to provide knowledge to the students about social work, Women empowerment, Gender Equality and Youth empowerment.
- ❖ To know the moral and ethical values, educational values attached with social work, and how gender equality can help achieve the goals of an individual as well as group.

Benefits of attending the Talk:

- ❖ Students get an idea about social work, Gender Equality, Women Empowerment and why they are necessary for the nation building.
- ❖ Students know about role of women in their communities and how they have massive impact on economic development, poverty rates, sustainable development and businesses around the globe.
- ❖ Students get knowledge about how the nation requires their active and equal participation to achieve the goals and help in taking the country towards progress.

About the Event:

- ❖ This talk expert session enlightens students about the roles of gender equality and how they can achieve the goals of individual and contribute to the nation with the help and support of each other.

Highlights of the Event:

Rai University organized a talk's with **'Rinawati Prihatiningsih'** on 04th August, 2023 at 02:30 P.M. The speaker of the Talk was an eminent personality Rinawati Prihatiningsih, Chief Operating Officer, PT Infinitie Berkah Energi, Indonesia, Co-Chair of G20 Empower Indonesia, Deputy Chair for Manpower, Research, and Development at the Indonesian Business Women's Association (IWAPI).

The speaker Rinawati Prihatiningsih shared her knowledge and experience on women empowerment and communities work and challenges they face in everyday life, which help students to know the meaning, action, and the power to make a difference for individuals, families, groups and communities.

The talk was further enlightened by the interesting open mic questions answer session in the last which gave true colors to the talk and gave chance to youth to ask questions and speak their doubts regarding Youth empowerment, women empowerment, and social working culture in not just India but globally, the speaker enlightened our students about how they can focus on their goals by talking about their issues with their family and friends and how they should always want to make things work for their own.
