**A CURTAIN RAISER OF EMPRESARIO**

**DATE: 16TH JANUARY, 2024**

# WHAT IS EXILIO?

*EXILIO is a pre-event to the Final Fest- Empresario. At EXILIO we will be launching the theme of EMPRESARIO 2024. Along with it, we will also be having panel discussions about the theme, a pitch deck competition, and activities. It also aims at giving students a chance to display their unique skills, which will give them an edge over others on their journey to becoming the best entrepreneur.*

*EXILIO involves multiple parameters which focus on evaluating each participant on basis of their analytical, logical, interpersonal, financial skills, etc. Moreover, it provides the students with an opportunity to judge their entrepreneurial and managerial competency before stepping into the corporate setup*
