

Report on SSIP Sensitization Program

SSIP sensitization program has been conducted in Electrical Engineering Department of GIDC Degree Engineering College for the students of Semester – II and Semester - IV by Prof. Dhaval Patel and Prof. Jay Desai on 3rd February 2024. In this sensitization program students were aware by what is SSIP? and what it is for. Also, in this program students were aware about how to apply and what are the steps and procedure to apply in SSIP and receive a grant from SSIP. Here are some images of the SSIP sensitization program which is conducted by Electrical Engineering Department.
