

**Report on Sarvajanik College of Law Idea Pitching event (college level – Round 1)**  
**held on 07-11-2023**

Dt. 16-11-2023

Idea Pitching Event (College Level – Round 1) was organised at Sarvajanik College of Law as part of activities of SSIP Cell, SU on 07-11-2023, Tuesday. This event was presided by Dr. Tasnim K. Patel, Assistant Professor and Pro-Dean, Sarvajanik College of Law and Ms. Kosha V. Zaveri, Teaching Assistant Sarvajanik College of Law as jury members. Two teams participated in this event. Their details are as under:

1. Team 1 –Tina Mundra (Enrolment no. SL21BLLB019), T. Y. LL.B. student who presented her startup idea titled “Wonder Women” wherein she wants to develop the app for securing the financial independence of homemaker women solely run by women. Through this app women having any skills can get the job and can even use this app for advertising their products of business. This app will work as an interface between employer and jobseeker women and women who wants to start small scale business and customers.

2. Team 2 –Nushrat Khan (Enrolment No. SL21BLLB026), T. Y. LL.B. student who presented her startup idea titled “ParkMax” wherein she wants to develop a system or app through which ease of doing parking can be achieved in Surat city and traffic jam problems can be solved in conjusted streets. She has planed to do tie up with all parking spaces of malls, offices and party banquet halls, pay and park facilities provided by SMC which will list their availability of parking space on the app and payment of charges and booking will be done online and time of the user (person seeking parking space) will be saved in searching the parking space. Moreover this app has earning model in the ration of 70:30 between person/entity listing their parking space and her as the owner of the app.

Jury members have mentioned their comments in evaluation sheets. Both these teams need the help of other students of other college who can help them in developing such apps. They also need guidance before they can present in university level round. College recommends both the teams for university level round.
