Respected Sir

Sub: Report regarding Full day workshop under SSIP 2.0

This is to inform you that today we organized one day Workshop for the sensitization of our students who are in 6th/4th SEM. It was about Patent registration/IPR filing process/Innovation as well as to inform them about various benefits of SSIP 2.0 scheme under the umbrella of GKS.

The work shop was kept in three different sessions as mentioned below:

Duration and time	Speaker	Topic
11.00 -12.30	G R Khunt-LME SSIP co ordinator RCTI	Step to Start up
13.00-14.30	Dr Mitchell Prajapati SSIP Co ordinator G P A'Bad	Idea to Innovation
14.30-16.00	All SSIP Departmental Co ordinators-RCTI	Tinkering lab instruments Show case

All the students responded in the link <https://forms.gle/e4mdkdYH8AN2FxU98> for the registration which was circulated through mentors. We received 189 registrations onboard and 180 remained present in the workshop. Student's presence's snap shots are attached herewith. They actively participated in all three sessions.

Thanks and regards
Yours Faithfully,
