

# Workshop on Important Tools & Techniques in Organic Chemistry (ITTOC-2024)

**February 12, 2024**  
**Time: 10:30 a.m. onwards**

## About University

Monark University is an inclusive and engaged research-intensive university that inspires creativity through outstanding achievements in learning, with up to date curriculum and contemporary delivery to meet the demands of the global higher education landscape.

## Organized by:

Department of Chemistry,  
Jeel Goswami College of Science &  
Research,  
Monark University  
Vahelal- Ahmedabad

## Chief Patrons

Dr. Hasmukhbharthi Goswami (President)  
Dr. Satishbharthi Goswami (Vice President)  
Dr. Varsha Goswami (Campus Director)  
Mr. Monark Goswami (CEO)  
Dr. Jayesh Ratnadhariya (Provost)  
Mr. Samir Sureliya (Registrar)  
Prof. Dharmendra Patel (Deputy Registrar)

## Patron

Dr. Tanmay Pandit  
(Dean, Faculty of Science)

## Convenor

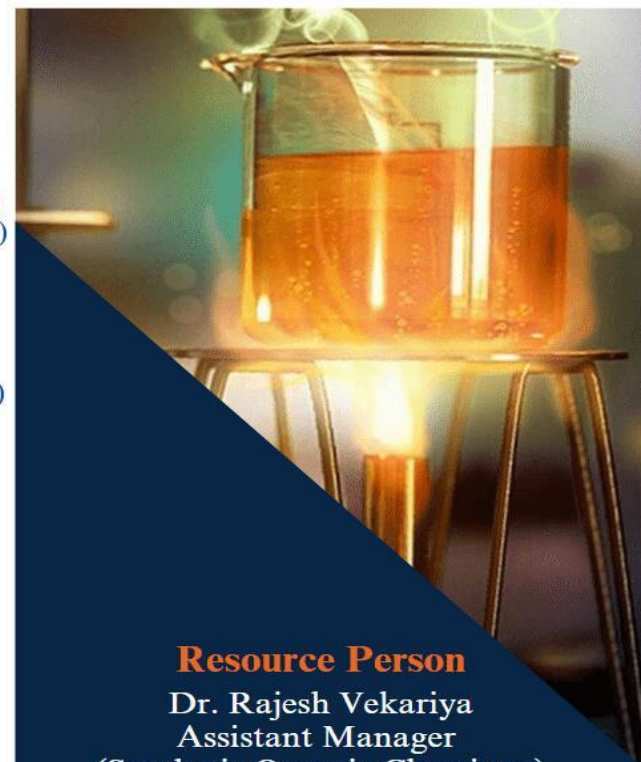

Prof. Rahul Parmar  
(Head, Department of Chemistry)

## Scientific Committee Members

Dr. Jinal Gajjar  
Dr. Chandani Halpani  
Dr. Seema Kher  
Prof. Mansi Gandhi  
Prof. Ritu Prajapati  
Prof. Monika Kshatriya  
Mr. Dinesh Rathod

**Scan the QR code  
to Register**

## Resource Person

Dr. Rajesh Vekariya  
Assistant Manager  
(Synthetic Organic Chemistry)  
Gujarat Fluorochemicals Limited (GFL)

## Workshop Theme:

- Synthesis route
- Characterization techniques
- Separation & Purification methods
- Provide insight and opportunities to the highly motivated to students to implement the dissertation
