Subject: Permission to arrange an expert lecture on "Start-up and Innovation"
Reference: Request letter from students of 2nd semester B.E. Power Electronics

Respected Sir,

Students of second semester B.E. Power Electronics have requested and planned to arrange an expert lecture on "Start-up and Innovation" on 29/02/2024 from 13:00 to 16:00 Hrs in A block Auditorium for students of VGEC Chandkheda. The following expert faculties from i-Hub Gujarat will be conducting the expert lecture.

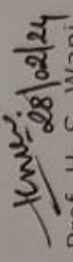

1. Mr. Rudra Thaker, Incubation Executive, i-Hub
2. Mr. Mitesh Vadher, Incubation Manager, i-Hub

This expert lecture will help students understand the importance of Innovation and Start-up, thereby making them aware about the opportunities and benefit of various Government schemes and support available. It will also boost the confidence of first year students and encourage them to take up projects under SSIP and IIC. As the number of student registration have exceeded 60, and more students are expected to attend the lecture, I request you to grant necessary permission to use A Block Auditorium for the lecture.

No expenses/honorarium are required for the event.

Kindly grant necessary permission for the same. Thank you.

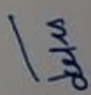

Yours Faithfully,

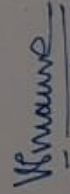

Prof. H. S. Wani
