

## EVENT REPORT

---

Date of event:	14/02/2024	Reporters details:	Name: Mr. Vinay Pathak Designation: Assistant Professor Mob: 9925600798 Email: <a href="mailto:vinaykumar.pathak@ppsu.ac.in">vinaykumar.pathak@ppsu.ac.in</a>
----------------	------------	--------------------	---

Name and Type of Event	Event title: Pioneer
No of participants	9 Groups (81 Students)

1. Attendee: Students of P P Savani University
2. Venue: Auditorium, P. P. Savani University
3. Event outline: The students presented start-up ideas and the corresponding business plan. Several exciting ideas were presented like silver foil manufacturing, new ERP system, Design of smart shoes etc. The prize for best idea went to IOT based smart shoes and second prize was shared between group presenting silver foil manufacturing and generating electricity from footsteps.
4. Outcome of event: Some of the ideas were very relevant to start-up and were suggested for presentation under SSIP for further grant and work.
5. Result of event: The event was very successful and students were motivated to carry out research in innovative product design and few of the ideas were sent for further mentoring for product development.

6. Recommendations for future events: Definitely will recommend future such events for supporting innovation in students.
