Faculty of Pharmacy – Ganpat University in collaboration with SSIP, Ganpat University-Incubation Center organized one day national workshop entitled “Research to Revenue: Building Blocks of IPR” on occasion of world IP day on 26<sup>th</sup> April, 2024. About 33 participants were present offline and 75 were present online.

The first technical session of workshop was delivered by Mr. Sanjaykumar Patel, Patent & Trademark Attorney, EXCELON IP, Ahmadabad. He has delivered talk on “Basics of IPR and Patent Searches”. He gave very informative session regarding IPR and types as well as its application in terms of industry perspective. He also explained patent searches by available national and international search sources.

Second session of workshop was delivered by Ms. Dharti Shah, IPR Attorney & Founder – Verite Associate, Ahmedabad and delivered a session on “Intellectual Property and Startups: Fostering Innovation and Entrepreneurship”. In her session, she has explained entrepreneurship enhancement through startups with good examples.

In the inauguration function Dr. P. D. Bharadia, Principal of the college welcomed and introduced the guests. Dr. Saurabh Dave, Dean, SSIP, Ganpat University was the convener of the workshop and gave his blessing. Dr. P. U. Patel, Dr. Sanjeev Acharya were the co-conveners of the workshop and provide their support for successful organization of the workshop.

Dr. S. A. Patel, Mrs. Heli Amin, Coordinators of the workshop successfully organized the workshop. Ms. Janavi Doshi was the anchor and nicely executed inaugural and all the scientific sessions.

All the participants were benefited by in depth information about the IPR, startups by the experts as well as rectification of all participants questions in the scientific manner with good examples. In the closing ceremony, LOC members team congratulates all the participants. Certificates were awarded to all successful workshop participants. The workshop was ended with the feedback from participants and group photographs. Very good response received from the participants.
