

**SEMINAR ON
"TECHNOLOGY AND SUSTAINABLE ECOSYSTEM FOR WOMEN"
16TH FEBRUARY, 2024**

About Event

The International Women’s Day 2024 theme is “Invest in Women: Accelerate progress”. With this theme in mind, Women Empowerment Cell, GCET has planned a one-day seminar to address the various requirements of modern-day women in the areas of health, finance, law, and education with a call to unite to transform challenges into opportunities and shape a better future for all.

The key areas focused under International Women’s theme are,

- Investing in women, a human rights issue: Time is running out. Gender equality is the greatest human rights challenge, benefiting everyone.
- Ending poverty: Due to the COVID pandemic and conflicts, 75 million more people have fallen into severe poverty since 2020. Immediate action is crucial to prevent over 342 million women and girls living in poverty by 2030.
- Implementing gender-responsive financing: Conflicts and rising prices may lead 75% of countries to cut public spending by 2025, negatively impacting women and their essential services.
- Shifting to a green economy and care society: The current economic system disproportionately affects women. Advocates propose a shift to a green economy and care society to amplify women's voices.
- Supporting feminist change-makers: Despite leading efforts, feminist organizations receive only 0.13% of official development assistance.

Four expert talks in line with this theme and a sharing segment named Wisdom Waves are included in the seminar.

About CVMU

The Charutar Vidya Mandal University (estd. 2019), Vallabh Vidyanagar, is a leading University of Gujarat having a strong lineage of Pre-independence era, managed and sponsored by one of the oldest trusts of Gujarat, Charutar Vidya Mandal with a vision of Sardar Vallabhbhai Patel, established under the Gujarat Act No. 8 of 2009, Government of Gujarat.

About GCET

G H Patel College of Engineering & Technology, established in 1996, is one of the Constituent Colleges of CVM University. From the very inception, GCET has striven to develop itself into an Institution of Excellence in Education and Research. Currently the Institute offers 10 Undergraduate programs, 7 Post graduate programs, 6 Minor Degree programs, 1 honours degree program and 5 diploma programs in consonance with the spirit of modern day requirements.

About WEC

Women Empowerment Cell, GCET is focused on promoting gender equality, empowering women and creating awareness amongst the students and staff of the Institute. It conducts awareness campaigns, workshops, and seminars to capacitate women and girls of our college about their rights and avenues for development. It fosters skill development, networking, mentorship opportunities, and celebrating women's achievements and contributions. Overall, it aims to create an inclusive environment where women can thrive personally and professionally while advocating for gender equality in society.

Registration Fees

- CVMU Students & Faculty Members -100 Rs.
