

“The Student Startup and Innovation Policy, or SSIP, is not just a policy framework; it's a catalyst for change, a beacon of hope for aspiring innovators and entrepreneurs. It provides students with the necessary resources, mentorship, and support to transform their ideas into viable startups that can make a real difference in the world.”

Krishna School of Physiotherapy & Rehabilitation, KPGU, Vadodara under the aegis of Student Startup & Innovation Policy (SSIP), 2.0 Gujarat organized Innovation & Startup expert talk on the theme:

“Ideation to Entrepreneurship”

Followed by screening of projects for SSIP grant.

Resource Person: Dr. Nikunj Chavda, PT, Founder of Kadji, A Geriatric Rehabilitation center

Date-28th March, 2024
