REPORT OF GUEST LECTURE

Resource Persons: Dr. Hemant Patel
Manager-Regulatory Affairs,
SyriMed, Vadodara

Date of Lecture: 02.05.2024

Topic of lecture: “Role of Global Regulatory Affairs in Pharmaceuticals” for
M. Pharmacy Students

Introduction: The Regulatory Affairs Lecture for M. Pharmacy Students held on 02/05/2024 featured Dr. Hemant Patel, Manager-Regulatory Affairs at SyriMed, as the esteemed guest speaker. The event aimed to provide an insightful platform for industry professionals and students to delve into the crucial role of global regulatory affairs in the pharmaceutical sector.

Key Discussion Points:

- 1. Introduction to Global Regulatory Affairs:** Dr. Patel commenced the lecture by providing an overview of the regulatory landscape within the pharmaceutical industry, emphasizing the importance of compliance with international regulations for market approval and drug safety.
- 2. Trends and Developments:** Throughout the session, Dr. Patel elucidated the latest trends and developments shaping global regulatory affairs, including evolving regulatory frameworks, technological advancements, and the impact of globalization on drug approvals and submissions.
- 3. Challenges and Opportunities:** The lecture also delved into the myriad challenges faced by regulatory professionals, ranging from complex regulatory requirements to changing market dynamics. Dr. Patel highlighted the opportunities within these challenges, emphasizing the need for adaptability, innovation, and strategic thinking.
- 4. Case Studies and Insights:** Drawing from his extensive experience in the field, Dr. Patel shared insightful case studies and real-world examples to illustrate key concepts and regulatory processes, providing students with valuable practical insights into the day-to-day workings of regulatory affairs.
- 5. Networking and Collaboration:** The event provided an excellent opportunity for networking and collaboration among industry professionals and students. Dr. Patel encouraged active participation and engagement, fostering a dynamic exchange of ideas and experiences.

Conclusion:

In conclusion, the Regulatory Affairs Lecture featuring Dr. Hemant Patel proved to be a resounding success, offering invaluable insights into the role of global regulatory affairs in the pharmaceutical sector. The event not only enriched participants' understanding of regulatory processes but also facilitated meaningful networking opportunities within the industry. We extend our heartfelt gratitude to Dr. Patel for his enlightening presentation and look forward to future collaborations and knowledge-sharing initiatives.
